STA – Staff mobility for teaching

SMS – Student mobility for studies (one semester at the Jan Kochanowski University of Kielce)

* Individual support for students and staff as a contribution to their costs for subsistence during the period of study or stay abroad. Staff: 148 EUR per day for 7 days (5 days at the host institution + 2 travel days). Students: 800 EUR per month of mobility.

** Travel support is a lump sum per participant, based on the travel distance. Travel distances are calculated using the distance calculator supported by the European Commission.

*** Top-up for students with fewer opportunities.

English language requirements for students and staff: minimum B2 according to CEFR
